

Parliamentary Bureau – Timetabling of Bill at Stage 1

Circular Economy (Scotland) Bill

1. The Parliament agreed on 28 June 2023 that Stage 1 consideration of the Circular Economy (Scotland) Bill be completed by Friday 26 January 2024.
2. The Net Zero, Energy and Transport Committee has requested an extension to the Stage 1 deadline as it is seeking further evidence and clarity from the Scottish Government on the publication of its circular economy route map to complete its scrutiny. The Scottish Government is content with the requested date.

Decision

3. The Parliamentary Bureau is now invited to recommend to the Parliament that the deadline for consideration of the Bill at Stage 1 be extended to Friday 8 March 2024.
