Dear Christina,

I am pleased to inform you that the Post Study Work Steering Group has now published their final report. This can be found at:

<http://www.gov.scot/poststudyworksteeringgroupreport>

The report and associated documents provide a clear case for the reintroduction of a post study work route in Scotland. The report makes 10 pragmatic recommendations to help shape a future route and I hope that you will find much in the report with which you can agree.

Best Wishes
H. Yousaf
