Infrastructure and Capital Investment Committee

8th Meeting, 2016 (Session 4), Wednesday 2 March 2016

Update on the Forth Replacement Crossing Project

Introduction

1. In Session 3, the Transport Infrastructure and Climate Change Committee undertook scrutiny of the Forth Crossing Bill as a secondary committee, providing a final report to the Forth Crossing Bill Committee in 2010. As the TICC successor committee, the Infrastructure and Capital Investment (ICI) Committee continues to monitor the progress of the Forth Replacement Crossing (FRC) Project as it develops, taking written and oral updates at regular intervals from the FRC Project Team.

2. All previous updates from the FRC Project Team to the ICI Committee are available on the Committee's website here:

<http://www.scottish.parliament.uk/parliamentarybusiness/CurrentCommittees/52715.aspx>

Current work

3. The Committee received its most recent written update from the Project Team in February 2016 and it is available on the Committee's website here:
