

SCOTTISH PARLIAMENT LEGISLATION

SESSION 2

This Fact sheet lists all bills considered by the Scottish Parliament in Session 2 (from 7 May 2003 to 2 April 2007).

It is divided into bills currently in progress; bills which have been passed; bills which have received Royal Assent and become Acts of the Scottish Parliament; and bills which have been withdrawn¹.

Each table is arranged alphabetically by bill title, and indicates the type of bill, the person or organisation that introduced it and the key dates in its progress.

The following abbreviations have been used to indicate the different types of bill: **C** for a Committee Bill, **E** for an Executive Bill, **M** for a Member's Bill and **P** for a Private Bill.

This fact sheet will be regularly updated to reflect the progress of legislation. You can also follow the progress of bills on the Scottish Parliament website, at the following link:

www.scottish.parliament.uk/business/bills/index.htm

All Acts of the Scottish Parliament appear on the Office of Public Sector Information (OPSI) website at the following link:

www.opsi.gov.uk/legislation/scotland/s-acts.htm

¹ A bill can be withdrawn by the MSP, Committee or Minister who introduced it. For example, an MSP may choose to withdraw his or her Member's Bill because the Scottish Executive introduces a bill to legislate in the same area.
