

Justice Sub-Committee on Policing

ICT provision

Letter from the Convener to DCC Neil Richardson

Thank you for your response to my letter of 31 January seeking further clarity on ICT related projects. The Sub-Committee considered this response at its meeting 20 February and agreed to write to you again as the clarity requested in relation to the i-6 project was not contained in your most recent response.

Specifically, the Sub-Committee would like to know whether or not the i-6 programme is currently progressing on time and on budget. In addition, the Sub-Committee requests further information in relation to the agreed timescales. I would be grateful if you could provide a timeline for the i6 programme including key milestones and whether or not these milestones were met.

We would welcome a response to this letter by 28 February 2014 in advance of your appearance before the Sub-Committee on 6 March.
